FLÛTE

BAR & LOUNGE

Club Intime And Flûte Midtown

Flûte Midtown is located in the space once occupied by the speakeasy "Club Intime" which was run by the notorious former showgirl Texas Guinan. The club was raided by the police just after midnight on April 17, 1929. It shut down just as the floor show was about to start. The club re-opened the following month!

Flûte is available for private parties and private tastings:
